

BRUNO CORRAO

Software Engineer

SUMMARY

Creative, detail-oriented, software engineer with a deep interest in AI. Proven track record of creating and implementing successful front and back end web applications. Looking to bring my skills to a tech company with global reach.

WORK EXPERIENCE

Software Engineer at 100devs, Los Angeles, CA

December 2021 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices
- Built semantically structured full stack web applications
- Applied agile methodologies like SCRUM for project management

LATEST PROJECTS:

#GenFa:

-Fullstack application created for people who need to have a record of the invoices made to a receiver and download them as PDFs

#Vegan Paradise:

-E-Commerce with a shopping cart integrated for purchasing products and completing the checkout process via WhatsApp.

#Casa De Chivilcoy:

-Designed for an educational institution that holds young students from Chivilcoy, the web brings and compresses vital information about requisites for applying. It also shows the house amenities.
